

Invincible

Vers: c EM. Chorus: f g a a

School and work can be so hard

And my family expects too much

Its not so easy to Come down

I wonder what shall i do right now

Chorus:

I Meet some friends , take my guitar

And walk away Form all my pain

2x Together with my friends we're invincible

Sometimes when i'm Alone i feel so weak

And feel unsure oft the things i do

But it's OK the way i am

I know cause that's what my friends tell me
